How you finance your degree is a big part of your decision-making process. All admitted applicants are automatically considered for merit-based program-funded assistantships; however, funding is not guaranteed. We recommend that you plan with the full program cost in mind. In addition to the tuition, fees and expenses, potential expenses to consider are moving cost, rent deposit and monthly rent payments, books/laptop, utilities (electricity, gas, and water), etc.

Graduate Assistantships cover tuition and required university fees. **Assistantships do not cover program fee(s)**. Students are responsible for paying the balance. Program fees are assessed at **\$334 per credit hour taken**, including additional credits taken past the required 48 credits for graduation.

¹Seating Deposit is due upon acceptance of admission, is separate from tuition, is not covered by GI bill benefits, and is non-refundable.

²Prep Course costs do not qualify for federal financial aid.

³Winter Mini-Term Global Business Seminar - tuition and fees listed do not cover international travel costs and incidentals (projected cost around \$2,000). Program fee for Mini-Term is a programs abroad fee.

Please note: Tuition and fee rates may increase for Academic Year 2026-2027. Tuition and fees include a program fee approved by the Board of Trustees that is billed at a per credit hour rate.
