How you finance your degree is a big part of your decision-making process. All admitted applicants are automatically considered for merit-based program-funded assistantships; however, funding is not guaranteed. We recommend that you plan with the full program cost in mind. In addition to the tuition, fees and expenses, potential expenses to consider are moving cost, rent deposit and monthly rent payments, books/laptop, utilities (electricity, gas, and water), etc.

Graduate Assistantships cover tuition and required university fees. **Assistantships do not cover program fee(s).** Students are responsible for paying the balance.

Please note: **Tuition and fee rates may increase for Academic Year 2026-2027. The most current information is available at <https://onestop.utk.edu>.**
